MESSAGE: Re: Amendment After Final for Serial No. 09/692,029

Dear Examiner Nguyen:

We refer to your telephone call today with Andrew Strobert in which you indicated you would enter a post-allowance amendment to clarify the priority claim to related application 09/665,305 so that the priority claim can be entered on the letters patent at grant.

The Amendment is attached for your consideration.

We would greatly appreciate receiving written confirmation of the amendment before the issue fee due date on July 3rd.

I can be reached at 212-735-4104, and Andrew Strobert, the attorney who filed the response, can be reached at 212-735-3272.

Thank you for your assistance, and best regards, Michael McGuire, Legal Assistant
